Answer

MINISTER OF DEFENCE (SHRI GEORGE FERNANDES)

(a) Yes, Sir.

(b) & (c): The International Fleet Review was conducted on 17th February, 2001 in which War Ships from 19 foreign countries took part. The details of foreign participants are annexed.

(d) A sum of Rs. 2.87 crores was sanctioned by the Government for conducting the event.

(e) The Naval authorities have informed that they had requested the Government of Maharashtra to examine the feasibility of re-scheduling the maintenance periods of various industries so as to coincide with the period of the Fleet Review. This was done as part of the clean air campaign. The industrial units, however, were free to work on the days of rehearsals and also on the Fleet Review, if it was not considered feasible by them.

(f) & (g): Information is being obtained from the State Government of Maharashtra.
